President's Message

Welcome New and Returning Curlers!

As you are soaking up the last bit of summer, it is time to start thinking about the upcoming curling season.

I am looking forward to another year of club growth and development. I hope everyone continues to carry the Stroud name with pride and continue our great reputation as a welcoming and social club.

Your board of directors have been busy this summer, preparing for not only this season but for the future of our club. You may see more advertising around the club as we try to find ways to create a fund to ensure a smooth transition to a new facility down the road. As we try to build up a capital fund for a future facility, we appreciate any help you could provide along the way.

This season I challenge you to try something new; rather it be a new league, bonspiel, committee or volunteering for a learn to curl night.

Good luck to all of you and I hope you reach your curling goals while enjoying our great sport.

Treasurer's Report

I hope your summer has been terrific and you are looking forward to the upcoming curling season. The club is currently in a good financial position thanks to the hard work of the staff and many volunteers. The fundraising efforts and support from the club members is an important part of keeping the club financially healthy.

Your Board of Directors has been hard at work to provide a Budget for the upcoming curling season. The Board has chosen to raise the registration dues by \$10 for adult leagues and \$15 for all junior/little rock leagues for the 2019-20 curling season. The Rock Loan will be paid off with this year's fees. The Board will be asking for your support in establishing a capital fund for future development at the club.

The bar prices will remain the same this year. The bar will be

adding an Interac machine making payment available by Cash, Debit, Visa and Mastercard.

The Board and members will have to continue to work towards increasing membership numbers. Increased members will increase revenues as the club is used by more curlers. Let's all get the word out that "Curling is the Sport for Life".

The Financial Statement will be presented at our Fall General Meeting. Have a great 2019-20 curling season.

Jennifer Allan,

Learn to Curl League

Have you ever wanted to learn to curl? It can be intimidating to jump in and join a league, trying to learn what's going on, why, and how to do it as you go. New curlers are invited to join the Learn to Curl League this fall at Stroud Curling Club.

This league will start with the basics and work each week to develop confidence, skills, and build good habits.

Join us Sundays in November and December from 3:00-4:30pm for 6 weeks. For only \$100 you'll get experienced instructors, plenty of on-ice time, and access to curling equipment you can borrow. All you need is warm stretchy clothes, CLEAN indoor running shoes (please bring them, don't wear them), gloves, and a great attitude!

We recommend you wear head protection of some sort as well. Members already registered in leagues are welcome to register for this league as well if you'd like to go back to basics and improve some of your skills. Don't miss out on this fun opportunity – register early as limited spaces are available!

The dates for this year will be: November 3, 17, 24, December 1, 8, 15.

If you're interested in volunteering, please get in touch with:

OCA Club Reps for 2019-2020

Men – Mike Nieveszeruk

Women – Sarah Picton

Juniors – Jason Tizzard

Email us at oca@stroudcc.com

Last year Stroud had a good year in competitions. We had many junior teams representing the club well in bonspiels and Curl On competitions. We are looking forward to what this curling season will bring!

We encourage club members to consider entering OCA competition – even if you have never done so before. Playing against curlers from different clubs will help you develop new friendships, appreciate the strengths of your own club, and make you a better curler. Whether this is your first or fiftieth competition with the OCA, there's an event for you! If you're interested but unsure where to start be sure to seek out one of your OCA reps to help you navigate your way. Competitive curling is a lot of fun!

To enter competitions, please do so online at www.ontcurl.com by following the "Competitions" link. Under competitions you will find the rules for that particular competition, as well as the registration link. You must have your entire team chosen in order to register. Be sure to have a credit card handy for the payment portion. Please ensure you note the closing date for entries in any given event and make sure you meet the set deadline! A reminder - ALL OCA competitors must sign a waiver before going on the ice for any OCA competitions. The waiver is available on the OCA website for online declaration after you sign into your OCA login. If you need any guidance with your entry or waiver be sure to see one of the club representatives.

Questions or concerns? Please get in touch with us in person or email at oca@stroudcc.com. We would be happy to assist you in any way we can.

Good curling to all entries this season

Comco Cash Spiel Nov.8-10, 2019

Our 22nd annual Comco Cash Spiel will be held November 8th to 10th. Some of the top teams from around the province give us some excellent curling each year, so make a point to come out and watch. A big thank you goes out to Gord Thompson and all the employees at Comco Canada Inc. for their ongoing financial support of this great event, and to Catering By Colin for their excellent work in providing the curlers with first rate food service.

Tournament of Champions

Our annual Tournament of Champions is a chance to see many of our league winners play down for bragging rights of being the best of the best, as well as celebrate the many achievements of our club and its strong membership. This year's event will take place on Saturday, March 28th, so save the date. More details will be available in the winter.

Little Rocks League

Sundays 10 am

The Little Rocks curling program at Stroud attracts many youngsters aged 7-11 years, many of whom are new to the game. The program takes place on Sunday mornings from 10:00 – 11:30 am and is incredibly busy, but also incredibly successful for the growth of our sport. The registration fee is only \$75.00, and will run from October 27 through to March 8 on most Sundays. A complete schedule will be available following registration.

This year, we are transitioning to a new coordinator, Abbie Darnley. Abbie has been actively involved with the program for the past few years, and already has plans for helping to improve it. We are thankful she has agreed to take on this very important role for the club. However, she is in need of volunteers, so if you are able to assist on or off-ice, please consider donating some of your time.

Andrew Thompson

Junior Curling League

Sundays 11:30 am

Welcome Junior curlers and families to the 2019-2020 Curling Season. The Stroud Junior curling program continues to be a great developmental league for new curlers, age 12-19, looking to develop their skills and learn the game with new friends, as well as for the more competitive curler, looking to compete in bonspiels and OCA events.

The Junior program runs on Sundays, after the Little Rockers program. Once again, we will be having skill development and practice starting at 11:30 am for all curlers, followed by a draw (game) from 12:00 – 2:00 pm. We look forward to returning curlers to continue their mentoring role and make new members feel welcome and comfortable on and off the ice.

Stroud continues to be represented by juniors who are very active in school and OCA events throughout the year. We will look to coordinate junior curlers who wish to play Bantam and Junior Bonspiels for the upcoming year, as well as fun bonspiels at other clubs. We will also be looking to host a bonspiel at our club later this season!

The Junior program will continue to have our weekly games, fun events, and opportunities for skill development. We look forward to seeing you at our registration dates for the club in September. Please register early, as spots may fill up quickly. Also, let me know if you are an interested in helping out this season on either side of the glass, as the junior program derives its strength from its volunteers. If you have any questions or suggestions for the upcoming year, please feel free to contact me, at al-lee@rogers.com. We look forward to yet another great year!

Stroud Rocks

Junior Curling Award-

Congratulations to Ashley Jensen

The Stroud Tuesday Night Ladies League and the Curling Board is pleased to announce that Ashley Jensen is the recipient of this year's \$500 scholarship. Ashley started with our club as a Little Rocker and then played for the last five years in the Junior Program. Learning the game at Stroud made her able to play on the Nantyr Shores High School Curling Team for the past four years as well.

Ashley will be attending Wilfrid Laurier University in the Business Program. Her goal is to become an accountant. While attending University she hopes to curl for the University Team or at least at the city club.

We wish Ashley much success in her studies and hope she is able to continue to play out her passion for the sport of Curling.

Monday Night Men's League

I hope everyone has had a great summer so far and are eager to get back to curling.

We're looking forward to another full schedule in the first draw this coming year. Our winners from our first draw last year was Team Colman. In the second draw, it was Team Thompson that was victorious.

Last year we were able to accommodate 12 teams in both draws. If scheduling permits and we have enough curlers, we will plan to do the same this year. Make sure you register early to ensure your spot in the league.

I'll plan to schedule the team draft with the skips following registration. A date will be confirmed later.

Enjoy the last bit of the summer and see everyone in the fall.

Sunday Choose Your Own League - SCYOL

Last season the league was comprised of 11 teams. It is our hope to continue this upward trend for 12 teams during the upcoming season. We will be in contact with the teams from last year to see who will be returning.

However, if you have a new team, are an individual that would like to play in this league or would like to be put on the spare list, please see us at registration.

See you soon!

Friday Night Mixed League

Friday night is a fun and social night that consists of six ends of curling. We welcome curlers of all skill levels to come and join us. Typically curlers sign up with their partner and are paired up with another pair for the schedule, but if you are a solo curler don't let that stop you! Last year we enjoyed fun times on and off the ice and we hope you'll come back and join us again! Bring a colleague or neighbour to give curling a try this year in this social and stress-free environment. It is a great way to kick off the weekend and a fun group of people. We will be charging a \$15/schedule/person social fee again this year to cover the costs of prizes, food etc. We hope to see you at registration and if you're interested in sparing please come sign up at the Friday night table. We are excited to welcome Carolyn Johnstone to our league coordinator team! Questions? Please email Sarah, John, and Carolyn at leagues@stroudcc.com if you cannot make it to registration.
